v.

ROBERTO BERAS,

Defendant.

No. 99-CR-75 (RA)

ORDER

RONNIE ABRAMS, United States District Judge:

As discussed at yesterday's telephone conference, the Court has appointed Aaron Mysliwicz as counsel to Mr. Beras for the purpose of speaking with him regarding his motion for compassionate release and determining whether he still wishes to pursue the motion in light of the possible immigration-related consequences that could follow any reduction in his sentence.

The Clerk of Court is directed to mail a copy of this order to Mr. Beras at the address listed in his motion.

SO ORDERED.
